Rapid Mobilization for Fintech Speed

Fueling lifestyle purchases with instant approvals and a support center that moves just as fast.

4 Weeks	**Funded**	**Instant**	**Rapid**
To Pilot	AWS MAP	Scalability	Deployment

The Challenge

Speed is Octane's competitive advantage, but their contact center operations were struggling to keep up with hyper-growth. They needed a partner who could mobilize instantly and optimize costs.

The Solution

Leveraging the AWS MAP framework, CloudInteract executed a rapid mobilization. We secured AWS funding to offset costs and deployed a pilot environment in record time.
